The City is proud of its small town ambiance, while offering all the amenities necessary for today's fast-paced lifestyle. Residents are fortunate to have some of the safest and most affordable neighborhoods in Volusia County. One can choose to live in a single-family home, manufactured home, condominiums or even rental apartments.

Because of its desirable location in Volusia County, several gated communities are being developed in the area. Within the City of Orange City there are many homes that are graced with medium and estate-sized lots. These lots have many large trees, which helped Orange City to become designated as "Tree City USA."
